

THE COUNTY COURT IN SESSION

ROAD AND OTHER MATTERS CONSIDERED IN SESSION OF THE COUNTY COURT ATTENDED BY FULL BOARD.

The county court met yesterday morning, a full court being present.

V. Mikkelsen, superintendent of road district No. 16, asked for powder and tools and an order was made granting the request.

At a previous session of the court it was agreed that \$500 should be allowed district No. 14 from the general fund. The clerk was ordered to transfer that amount from the general fund to road district No. 14.

The clerk was instructed to order 800 pounds of powder to be delivered to Henry Hue, at Seaside.

The time for the completion of the contract of Jonas Nover was extended to October 1st.

It was ordered that \$100 be transferred from the general fund to road district No. 10 being one-half of cost of road to the gravel pit.

The petition of John Heckard et al in districts 4 and 5 were read and found to be correct and bond of \$200 was approved. B. Master, J. F. Bartoldus, Geo. Stevens, surveyor, and Andrew Johnson were appointed viewers to view and survey the road and to meet at A. & C. drawbridge No. 1 on Monday, September 16, at 10 a. m.

The plat of Surf Beach was approved.

The petition of Alex Ahren et al for a county road was received but no bond being filed it was ordered by the court that when a bond is filed viewers will be appointed.

Alex Ahren et al petitioned for a county road and the court appointed J. F. Bartoldus, road master; Geo. Stevens, surveyor, and E. A. Taylor, as viewers who will meet at the A. & C. bridge No. 2 on Monday, September 23, at 10 a. m.

The appointment of N. D. Raymond as deputy county surveyor was ordered.

approved on the taking of the oath of office by the appointee.

The report of the road master for August was read.

In the matter of damage claimed by Peter Kenney against the Svenson Logging Company for \$163 presented April 12th. Kenney appeared before the court and stated that no settlement had been made. The court instructed the clerk to notify the company that if no settlement is made of this claim before September 10th the district attorney will be instructed to commence action to recover on their bond.

The application of the Crossett Lumber Company asking permission to maintain and operate a railroad crossing on county road No. 55, having been read and considered by the Board it was allowed and on the filing by the company of a general indemnity bond the petition will be granted.

An offer was made by the Heckard Grading Company of \$200 for the large road scraper owned by the county and the offer was accepted.

John H. Haak asked for a quit claim deed for southeast quarter of section 5. Upon examination of the records they found that an error was made and that the county lost nothing in taxes by the petition being granted. The court then decided to grant the request embodied in the petition and ordered that the court would sign a quit claim deed and that the proper entry be made on the sheriff's books. It was ordered by the court, that bids be asked for building bridge across Northrup Creek, same to be filed September 17th. The clerk was instructed to draw a warrant in favor of A. Streine for \$15 for work performed.

The court directed the clerk to write to C. Hunt, superintendent of road district No. 9, asking him if he can use lumber that was hauled for use on the Bear Creek bridge and repair the bridges petition for by Carlson and others. If he can do so he is to do it at once or notify the court immediately.

The court then adjourned until this morning at 9 o'clock.

THE SCHOOL BOARD MEETS

GENERAL BUSINESS TRANSACTED AT FULLY ATTENDED MEETING—NEW TEACHERS AND JANITORS ARE APPOINTED.

The minutes of the last regular and the adjourned meetings were read and approved.

A communication was received from A. Koenig the newly appointed teacher at the High School, stating that he will be here by September 17th.

Miss Norberg tendered her resignation as teacher and the same was accepted.

In the matter of the resignation of Miss Simmott which was tendered by that lady the Board refused to accept same. The cause of this action was that the Oregon laws stipulate that a teacher must give 30 days' notice of cancellation of contract and as the notice was given but yesterday the Board could not accept the resignation.

A resolution was passed transferring \$5000 from the general fund to the building fund.

Estella M. Thompson and Mary Friley were appointed teachers.

The following were assigned as janitors: L. Agren, Alderbrook; John Peterson, Adair; John Riley, Shively; N. P. Johansen, McClure; Phil Taylor, Olney, and Mrs. Harold, Taylor. The clerk was instructed to notify the janitors to commence their duties on September 9th.

A general discussion as to the needs of the department and the various schools was indulged in by the Board and after ordering the following bills paid the meeting adjourned, subject to the call of the chairman. The bills ordered paid were: Axel Johansen, \$2450; Wilson Bros., \$1912.80; Telephone Company, \$3; A. L. Clark, \$150.

Courteous treatment is another thing that is appreciated and one receives it from Otto himself who takes charge during the day and from his pleasant night manager both of whom dispense the best to be had. "The Commercial," 509 Commercial street, is well known and widely patronized.
